To: Members of MUSA/CLC Chartered Local 2003-1

Dear Sisters and Brothers:

On behalf of the CLC Ontario Region, I welcome you to our large labour family of 2.5 million strong as the brand new chartered local MUSA/CLC 2003-1.

The key objective of the CLC Chartered local arrangement is to ensure that your local enters into the upcoming contract negotiations united. We will work closely with your local leadership and Bargaining Committee and above all, we will build on the incredible courage and strength that each and everyone of you has shown during the last set of negotiations.

As you are also well aware, this chartered local arrangement is for a definite time frame. During this period, we will facilitate opportunities for your leadership and membership to participate in upcoming educational conferences and gain better insights into the workings of our affiliates.

Sisters and Brothers, the months ahead will be both challenging and rewarding. We look forward to working with all of you in building a stronger local and a stronger labour presence on campus.

On behalf of the Canadian Labour Congress, I extend to you the strength and solidarity of millions.

In peace and solidarity

Winnie Ng
