Members,

Construction of CAW Local 555's sponsored **Habitat for Humanity** build is well underway! Habitat has reserved **Saturdays, October 16 & 30**, as well as **Friday, November 5** as **team build days** for volunteers **from CAW Local 555** and their families.

Representatives from Habitat for Humanity and members of the Social Justice Committee will be at the **volunteer fair** tomorrow, **Tuesday, September 28 from 10:00 am to 1:00 pm** in the **MUSC Marketplace** to answer any questions you might have about the build and how you can become more involved. While there, show your support for the Habitat selected family who will move into our sponsored unit by signing a sheet of drywall to be used in the construction of the home!

The Social Justice Committee will be communicating details about a book drive and other events in support of this project over the next few months. For up to date photos and information about the build, please visit our blog regularly at:

See you tomorrow!

In Solidarity,
