Dear Members,

As you may be aware that our Local's sponsored **Habitat for Humanity** townhouse build is underway!

Three build days have been reserved for our Local. One of these dates has passed and one of these dates is fully booked. **Only one date remains** - this **Saturday 30 October** from **9:00 am through to 4:00 pm**. And this date happens to be a **Family Build Day** with many activities planned for children.

If you are interested in volunteering, visit the Habitat for Humanity website at <http://habitat-hamilton.ca>, click on the "Volunteer" tab and enter CAW Local 555's "Join Code" (**HFHH5**) to register and select your volunteer date.

The registration process is a two-step system (Step 1 is registration and Step 2 is selecting a build date or dates.) When you have completed both steps you will receive two separate confirmation email messages.

If you have any difficulty navigating the site, visit our blog for step-by-step instructions (<http://cawlocal555socialjustice.blogspot.com/>). The blog also has lots of info, pictures and media clippings on the build! Check it regularly to watch the construction progress! This is what the build site looks like so far.

Last but not least, once you have registered, please send your contact info to us so we can contact you about your work boot size, food allergies, etc. We can be reached at [<cawlocal555socialjustice@gmail.com>](mailto:cawlocal555socialjustice@gmail.com).

In Solidarity,
