Members,

As most of you know, USW Local 1005 and its 900 members and 9,000 pensioners are waging a battle on behalf of ALL of us. Foreign owned companies, like US Steel, are attempting to steal our futures by attacking our pensions while the Harper government is attempting to hand public pensions over to private banks.

Winning this battle for Hamilton Steelworkers is the first step in a national campaign to defend retirement security for everyone. The CAW will be fully participating in this rally and encouraging as many members and locals as possible to attend.

Join the fight back: The rally and speeches commence at **1:00 pm**, this **Saturday 29 January 2011 in front of Hamilton City Hall**, 71 Main Street West, Hamilton, **followed by a march through the downtown core** to make our voices heard. Bring your own signs, banners and flags to show your support.

Defend Pensions • Support USW Local 1005
