- (h) Meal and break period schedules shall be mutually agreed to where possible between the Employee and the Supervisor. They are subject to change by the Supervisor depending on the work needs of the ~~e~~Department or programme unit. If an Employee is required by her Supervisor to work through her meal period or her break, the Employee will be given either pay or time off in lieu in accordance with Article 15.08(h).

- (e) There shall be no duplicating or pyramiding of overtime or premium payments unless provided herein.
- (f) All additional hours of work or overtime must be authorized by the Employee's Supervisor in advance of it being worked. Employees who have a superior vacation entitlement shall not have their vacation entitlement decreased as a result of the above vacation schedule.

(b) Scheduling

All vacation days are scheduled by mutual agreement between the Supervisor and the Employee, subject to the departmental work requirements.

- i. the Supervisor grants an Employee's request for carryover of up to five (5) days or in extraordinary circumstances, up to ten (10) days; or

In the event that such a change is to be made the Employer will provide such Employees with at least three (3) months notice prior to the published date of the holiday.

Payment for paid holidays will be automatic when both the scheduled working day immediately preceding and following the holiday are worked or when there is reasonable cause for the Employee not to work the scheduled working day immediately preceding and following the holiday.

Method of Salary Payment

The Employer's current practice is to pay monthly salaries by direct deposit on the 15th of each month. An Employee may request, in writing, a mid-month advance on her next payment. In this case, the advance will be calculated on the basis of approximately one half of her net pay for the previous pay period and will be paid on the last day of the month. The balance of the month's pay will then be paid on the 15th of the following month.

If the 15th or end of the month falls on a weekend day or Specified Holiday, pays will be deposited on the working day immediately prior to the weekend or Specified Holiday. The University reserves the right to modify the method of salary payment with six months written notice to the Association.

At the time of the pay, each Employee will receive a statement of earnings listing total pay, itemized one-time adjustments (such as overtime and shift premium) and all deductions from the pay.

If applicable, overtime or premiums will be processed for payment no later than in the month following the month in which the overtime was worked or the premium was earned.

For full-time staff, the monthly salary can be approximated by multiplying the hourly rate by:

151.67 for Employees working 35 hours per week;
162.50 for Employees working 37.5 hours per week;
173.33 for Employees working 40 hours per week.

For those who work less than full-time hours, the monthly salary can be approximated by multiplying the hourly rate by:

121.33 for Employees working 28 hour per week;
91.00 for Employees working 21 hours per week;
75.83 for Employees working 17.5 hours per week.

CAW Local 555 BARGAINING UNIT SENIORITY

The parties agree to the following as the basis for interpretation and administration of the provisions of Article 14 - Seniority for the duration of the current Collective Agreement.

The length of continuous service calculated from the most recent date of employment with the Employer shall include:

- i.** continuous service in positions included in the Bargaining Unit;
- ii.** continuous service in positions, excluded from the Bargaining Unit due to their confidential capacity in matters relating to labour relations within the meaning of subsection 1(3)(b) of the OLRA, and under Article 2 of the Collective Agreement; and,
- iii.** continuous service as a temporary or casual employee excluded from the Bargaining Unit under Article 2.01(d) of the Collective Agreement.

Seniority rights derived from service earned under ii) or iii) above will only be effective once the employee has become an Employee in the CAW Local 555 Bargaining Unit. (c) OUT OF TOWN GAMES SCHEDULED ON A SATURDAY, SUNDAY OR DESIGNATED HOLIDAY

When a coach is required to attend an out of town game which is scheduled on a Saturday, Sunday or designated holiday, he/she is credited with actual hours in compensatory time of up to a maximum of seven (7) hours per day. This credit includes travel and preparatory time as well as game and post game responsibilities.

(d) COMPENSATORY TIME OFF AND APPROVALS

All shift changes, compensatory credits and time off must be approved by the Director, Athletics and Recreation Department or her appointee.

RE: Security Services Dispatchers' Shift Arrangements

The parties agree that the following are the shift arrangements for Dispatchers under Article 15, without prejudice or precedent to other members of the Bargaining Unit. The terms and conditions outlined in this document shall take the place of the antecedent Letter of Understanding signed September 11, 2002.

Notwithstanding the provisions of Article 15.02(c), Dispatchers will work three (3) twelve (12) hour shifts one week and four (4) twelve (12) hour shifts the following week. In those weeks of three (3) twelve (12) hour shifts, overtime will be paid after thirty-six (36) hours in a week. In those weeks of four (4) twelve (12) hour shifts, overtime will be paid after forty-eight (48) hours in a week.

Each year, the Employer will establish a bank of fifty-six (56) hours for each Dispatcher (fifty-two [52] hours in years with thirteen [13] paid holidays). These hours are to be scheduled off, in consultation with the Dispatcher's Supervisor, through the year. In the event that operational necessities, as identified by the Supervisor, prevent the scheduling of these hours, such hours shall be carried over and added to the bank of the affected Dispatcher(s) for the following year.

Dispatchers are not normally expected to work on paid holidays. In the event that the University requires a Dispatcher to work on a holiday, the Dispatcher will be paid for the hours so worked at two (2) times her regular pay in addition to the paid holiday allowance of twelve (12) hours at her regular rate. In the event that a Dispatcher requests to work a holiday in exchange for another day, this double time provision will not apply.

Either party may terminate this agreement with three (3) months' notice. Upon receipt of such notice, a meeting will be held between the parties to discuss the reasons for the termination of the agreement and to determine the details of a transition.

Incentive Pay for Some Positions in University Advancement

This program will extend for the duration of the current Campaign for McMaster University (approximately June 2010), with extension of the provision being dependant on mutual agreement between the Union and the Employer. When such an incentive program is established the Union will be provided with all pertinent details.

Regarding Roster of Arbitrators**

Further to Article 6.09(c) and ~~(d)~~ of the Collective Agreement, the parties agree to utilize a roster of arbitrators and a procedure for scheduling arbitrations, as set out below, for the duration of this Collective Agreement. The entire process will be reviewed during negotiations for a renewal Collective Agreement and, if the parties are in agreement that the process is working effectively, it will be continued.

The Parties agree that the following persons will be asked to serve as a single arbitrator, on a rotating basis:

1. **Brian Keller**
2. **Kevin Whitaker**
3. **Guy Thorne**
4. **Kevin Burkett**
5. **Jane Devlin**

Should an arbitrator not be available to arbitrate within sixty (60) calendar days of being asked, the next person on the list shall be asked and so on until one (1) on the list is available. For the next arbitration, the name that appears on the list immediately after the arbitrator last selected shall be next in the sequence of selection. Once during the term of this Agreement each Party may veto the name that appears on the list immediately following the last arbitrator selected. However, by mutual consent, the Parties may select a listed arbitrator out of sequence or select an arbitrator not on the list. The Parties will use their best efforts to make themselves available for any date offered by the arbitrator.

~~When the grievance is to be submitted to a three (3) person panel under Article 6.09 (d), the process will commence with the parties exchanging the names of their respective nominees. These nominees will be responsible for the selection of the third member from the above roster who shall act as the Chair. In the absence of an agreement, the Chair will be chosen by lottery from amongst the names on the roster. The nominees will make themselves available to act on the dates provided by the Chair for the hearings.~~

Professional Development, Training and Recruitment

Professional Development

It is acknowledged that Employees, the Employer and Union, all benefit from a highly skilled, contemporaneous workforce. Such a workforce promotes sustainability, increased productivity and job security. The Union and Employer share a commitment to promoting the professional development of Employees and to encouraging and supporting Employees in that endeavour.

Employees are encouraged to be proactive and to avail themselves of professional development and training opportunities that may be of value in their current positions or that may facilitate career progression or transition. Training opportunities exist through the Tuition Assistance program, McMaster's Centre for Continuing Education and other avenues. Employees are also encouraged to access the benefits of Article 28 – Educational Development.

Training

Supervisors will notify Employees in advance of planned changes in job design or requirements so to enable Employees, where operationally feasible, to pursue any training that may be required prior to the changes taking effect.

The Parties agree that, notwithstanding Articles 17 and 18, the definition of "Minimal Training" shall be revised as follows:

"Minimal Training" means practical training and orientation provided by the Employer with the intent to enable Employees to perform effectively the duties of the position, the duration of which shall be up to ten (10) Working Days in keeping with the level of the position.

With a view to enabling improved workforce adjustment, a Training Committee shall be established. The Training Committee will identify and pursue strategic opportunities to enhance Employees' access to, and participation in, professional development, with particular emphasis on training specific to working at McMaster that may not be otherwise available. It is expected that these opportunities, to the extent embraced by Employees, will lessen the need for, or mitigate the impact of, redundancies.

The members of the Training Committee shall be the Assistant Vice-President HR (Chair); two other members of management as determined by the Chair; the President of CAW Local 555, the Unit 1 Chairperson; and one other member as determined by the President of CAW Local 555. The Training Committee will meet as determined by the Chair in consultation with the President of CAW Local 555.

The University shall commit the following financial resources toward training initiatives as determined by the Training Committee:

Year 1	up to \$75,000.00
Year 2	up to \$150,000.00
Year 3	up to \$225,000.00

Recruitment

The Parties agree that, notwithstanding Articles 17 and 18, Employees on the Priority Placement List and Recall List shall be considered for vacancies, including promotional opportunities, concurrently with other candidates. With the exception of promotional opportunities, Employees on the Priority Placement List and Recall List shall have priority over other candidates provided the Employee possesses the qualifications, skills, ability, and relevant experience to perform the work of the vacant position with Minimal Training. Article 18.04 shall apply for promotional opportunities.

This Letter of Understanding shall be null and void and cease to be effective 1 day prior to the expiry of the collective agreement.
